

Calvary Schools of Holland

Holland, MI

Executive Director

Calvary Schools of Holland is an educational ministry of Calvary Baptist Church of Holland (Preschool through 12th grade). Calvary has been reaching and serving Christian families for more than 30 years. Currently, Calvary has 250 students and has a full and part-time staff of more than 25. A mature, growing school, focused on discipleship and servant leadership, Calvary has developed its own discipleship program that has won awards and has been implemented in over a dozen other Christian schools. Calvary's students are known for their outward-focused servanthood in the community and for engendering a warm family atmosphere.

The school's Executive Director position requires a Christ-like servant leader with excellent communication and leadership skills with the ability to attract families and stimulate development activities. As chief spokesman for the school, the candidate must have exceptional relational skills to work with parents, students, faculty, board and the community.

A strong candidate will be able to execute vision-casting and strategic planning with a leadership team, build an endowment, recruit quality faculty, engender trust with parents and innovatively grow both the discipleship and academic programs of the school.
