

RETHINK – “Reconnect” *The Mind of Christ (Prayer)*

October 21, 2009

Discussion

Prayer is simply talking to God and you guys know how to talk! And it's not only talking, but listening too.

Discuss: Why did Jesus pray? Why do you think he made it a priority? Does it matter where you pray?

Say: You'll never have transformed minds, until you have God's thoughts. Prayer is vital to not only renewing our minds, but to refreshing our lives.

Key Passage: Have students brainstorm what the Bible says about prayer? (without ceasing, with thanksgiving, etc)

Discuss: People you know that are prayer warriors.

Ways to Pray:

- Lord, when I face trials, remind me it is a test of my faith.
- Lord, help me to be more like this person.
- Lord, help me to forgive so-n-so as you have forgiven me.
- Lord, today I'll be tempted to...
- Lord, today when this happens...
- Lord, bless my parents...
- Lord, help Joanie over her illness...
- Lord, open Johnny's eyes to see you...

PRAY: now do it!!
