

## RETHINK – “Reconsider” Other People First

2009

### Discussion

**Discuss:** Have group recall the last fight they had. What was it you wanted?

**Key Passage:** (Jas. 4:1-3) Have somebody read it.

*“1What causes quarrels and what causes fights among you? Is it not this, that your passions are at war within you? 2You desire and do not have, so you murder. You covet and cannot obtain, so you fight and quarrel. You do not have, because you do not ask. 3You ask and do not receive, because you ask wrongly, to spend it on your passions. (ESV)*

**Discuss:** From the passage, why don't we get what we want? How do people react when they don't get their own way?

- How are we to view other people, even people we might not get along with? [ex: think of Jesus]

**Say:** The root of most conflict is selfish thinking. A **“me-focused”** attitude sets us up to get what we don't want and an **“others-focused”** attitude brings about happiness.

**Rethink:** As a group, come up with times they are most likely to be self-centered and what they can do to be others-minded.

**Finish:** by praying for humble hearts in your Power Plus group.
